

2010: Posibilidad, or Death of the Worker Reviews and Articles:

"(Posibilidad, or Death of the Worker) ... is a brilliant work, combining tragedy and humor to make a very pointed argument for thinking outside the box on the state of Labor and jobs today."

The Huffington Post - 9/6/10

"the play's ambition is as impressive as its range"

SF Chronicle - 7/6/10

[\(Web Archive Link \)](#)

"'Posibilidad' was incredibly funny ... and just as willing to skewer the left ... as it is to question the assumptions about the economic basis of modern life."

Stark Insider - 8/8/10

[\(Web Archive Link \)](#)

"pointed and funny"

San Francisco Examiner - 7/7/10

[\(Web Archive Link \)](#)

"...a lot of fun...the audience has a great time...Between (the) entertaining script and the cast's deft performances, the characters are distinct and memorable throughout....if you're inspired to support your local worker-owned collectives, 'Posibilidad' demonstrates yet again that the Mime Troupe is one well worth supporting."

Marin Independent Journal - 7/7/10

[\(Web Archive Link \)](#)

"The Troupe's penchant for relentlessly and artistically questioning the status quo draws North Bay audiences year after year."

North Bay Bohemian - 7/7/10
