

SAN FRANCISCO MIME TROUPE COMRADES 2011

Earlier this year, the Mime Troupe sent an extra plea to some of our individual donors, asking them to join in our "Comrade Campaign" to help close an impending \$50,000 funding gap in this year's operating budget. It was a difficult request, since we already ask so much of our many supporters, who give generously and regularly to our twice-yearly appeals, but we had nowhere else to turn; foundation funding, which usually makes up the difference, was falling short of what was needed to ensure the production of this year's summer show.

Lo and behold, as the following list of names can attest, those donors responded with a momentous force that has brought us to today, with your butt in a park or theatre seat, ready to see a Mime Troupe show! **Many thanks to all our donors**, who year after year give what they can to keep the SFMT afloat, and to the **COMRADES** below, whose extra push ensured that we would be out in parks and communities around California for another summer season. Power to the people, y'all!
